

# Discussion Leader

Your mission: To lead your group in an active discussion by creating thought-provoking questions.

You must create a question for every day that you read. No "yes/no" questions.

Good example: Will Charlie regret having the surgery? Why or why not?

Good example: How do Charlie's powers of observation change as his intelligence increases?

Bad example: Is Charlie an interesting character?

Bad example: What does Charlie do for a living?
